
Lakeland Broncos Youth Football & Cheer Refund Policy

Lakeland Broncos requires all potential participants to fully understand the refund policy prior to registering.

As a non-profit organization, we try to keep the costs as low as possible to ensure everyone has a chance to participate. We are forced to make decisions on equipment, uniforms, formation of teams, availability of coaching staff and pay these expenses months before the season starts to ensure everyone has what they need to play football and cheer. Due to these facts that we must make these decisions so far in advance refunds will not be issued after your player / cheerleader is registered.

The league discourages participants from registering only on condition of specific team placement or coach assignment. In the event players are not drawn to a specific team, placed with a specific coach or partnered with specific players, even if requested, refunds will not be issued.

Refund for illness or emergency will require documentation and will be at the discretion of Lakeland Broncos Board of Directors.

ADDENDUM-

A refund will be issued in the event that the state and/or governor cancel sports-football/cheer.

At such time if the program is canceled by the state/governor, the refund would be determined by how much has been invested into the season such as jerseys ordered or any practice and/or play times have started.

Any refunds that are due as a result of a canceled season can be used for a credit towards the next season.
